3rd December 1916.

Dear Sir,

Your telegram of this morning intimating that Indore Home Minister and three officers arrive at Champion Reefs and asking me to arrange for their seeing the Mines, was received by me at 10 o'clock.

In this connection, I beg to point out to you that it is not possible to see the Mines on Sundays which fact you must be aware of.

I suppose you are likewise aware that I have many a time asked that on such occasions notice should be given in time to enable officers to arrange for visits. While so, that I should receive a wire on a Sunday morning at 10 a.m. to arrange a visit for gentlemen expected to arrive at 14.41 the same day, is, I can but say, exceedingly casual on your part.

As it is, I cannot do anything. I am, however asking the Bowringpet Amildar to meet these gentlemen this afternoon and accompany them to the Field, but I am afraid they will not be able to visit any Mines to-day.

Yours sincerely,
